Dear Mark:

It is with extreme pleasure that we announce that Harmony Timberworks has been selected as a recipient of a **"2009 Outstanding Subcontractor Award"** from Turner Construction Company.

The nominations for our awards came from our jobsite staffs and are based upon overall job performance considering preconstruction, managing, engineering, scheduling, expediting, quality of work, safety, relations with others, pricing, cooperation and expertise in your field. Harmony Timberworks was selected in particular for your work on the Horizon Community Church project.

We at Turner strongly believe that our success is in a very large measure attributable to our subcontractors being true "partners" in construction. All too often subcontractors hear from the General Contractors only when things are going badly. It is appropriate to recognize outstanding efforts for our subcontracting partners, and as such, we pay special tribute to your organization for your performance and contribution to our shared success on projects.

Congratulations and thank you!

We would appreciate your joining us and the other recipients at a luncheon in your honor on Wednesday, July 14th, 2010, at the Queen City Club, 331 E. 4th Street, Cincinnati, Ohio, at 11:45 A.M. We can happily accommodate 2 or 3 people from your firm.

Please notify Kathy Johnson at 721-4224 to confirm your attendance.

Again, our thanks and appreciation for a job well done!

Very truly yours,

TURNER CONSTRUCTION COMPANY
